COUNTY OF LOS ANGELES, STATE OF CALIFORNIA

Violet Varona-Lukens, Executive Officer

Supervisor Antonovich made the following statement:

"Additionally, the Board needs to consider a multi-year restoration plan for unincorporated patrols and detectives similar to what the Board has done with reopening of jail beds. Unlike what occurred in our jails, a restoration plan for unincorporated patrols and detectives would avoid a similar crisis before it occurs."

Therefore, on motion of Supervisor Antonovich, seconded by Supervisor Yaroslavsky, unanimously carried, the Board directed the Chief Administrative Officer to work in coordination with the Sheriff's Department to provide a report to the Board during Budget Deliberations regarding:

1.     2. A multi-year restoration plan for unincorporated patrols and detectives similar to what the Board has done with the reopening of jail beds, including consideration of, among other factors, response times and population growth.
